HELP US TO CREATE AN ART INSTALLATION MADE UP OF 10,000 WOOLLEN POM-POM SHEEP! SHOW YOUR SUPPORT FOR THE WOOL & SHEEP FARMING INDUSTRY, WHILE HAVING FUN AND GETTING CREATIVE....

HOW DO I TAKE PART?
Simply download the sheep making kit and follow the instructions to make your sheep. Why not work with others to create your own Flock before sending it to join ours....
The address is: Flock Project, Eden Arts, 1 Sandgate, Penrith, CA11 7TP

WHERE WILL THE INSTALLATION BE DISPLAYED?
The large scale installation will go on display in Cumbria - full details will be posted on the website soon. Sign up to the Flock mailing list and follow our social network pages to keep up to date. We are looking into the possibility of displaying the installation in further locations in 2012.

WHAT IS THE DEADLINE?
Until we confirm the date and location of the final installation we have not set an exact deadline. As a guide we plan to display the large scale installation in spring 2012 so there is plenty of time to make lots of sheep. We will be putting together smaller installations before then so please send in your lovely sheep our way as soon as you can.

HOW ELSE CAN I HELP?
- Spread the word and encourage others to make sheep for the project.
- Download and display the poster or display sheep in a shop window to encourage others to take part.
- Follow our social network pages and post your sheep making images for the world to see!
- Help us to continue running this project by donating - text WOOL44 followed by an amount to 70070

USEFUL WEBSITES:
www.campaignforwool.org - learn about the benefits of real wool and the campaign to promote its use
www.nationalsheep.org.uk - information on the sheep farming industry and sheep breeds
www.farce-online.org.uk - the farming & countryside education website - useful resource for teachers
www.craftclub.org.uk - brilliant resource if you are thinking of setting up a crafts club

Flock is co-ordinated by Eden Arts - an arts development agency in Cumbria. If you would like further support or for press and sponsorship enquiries please get in touch with our project officer:
