

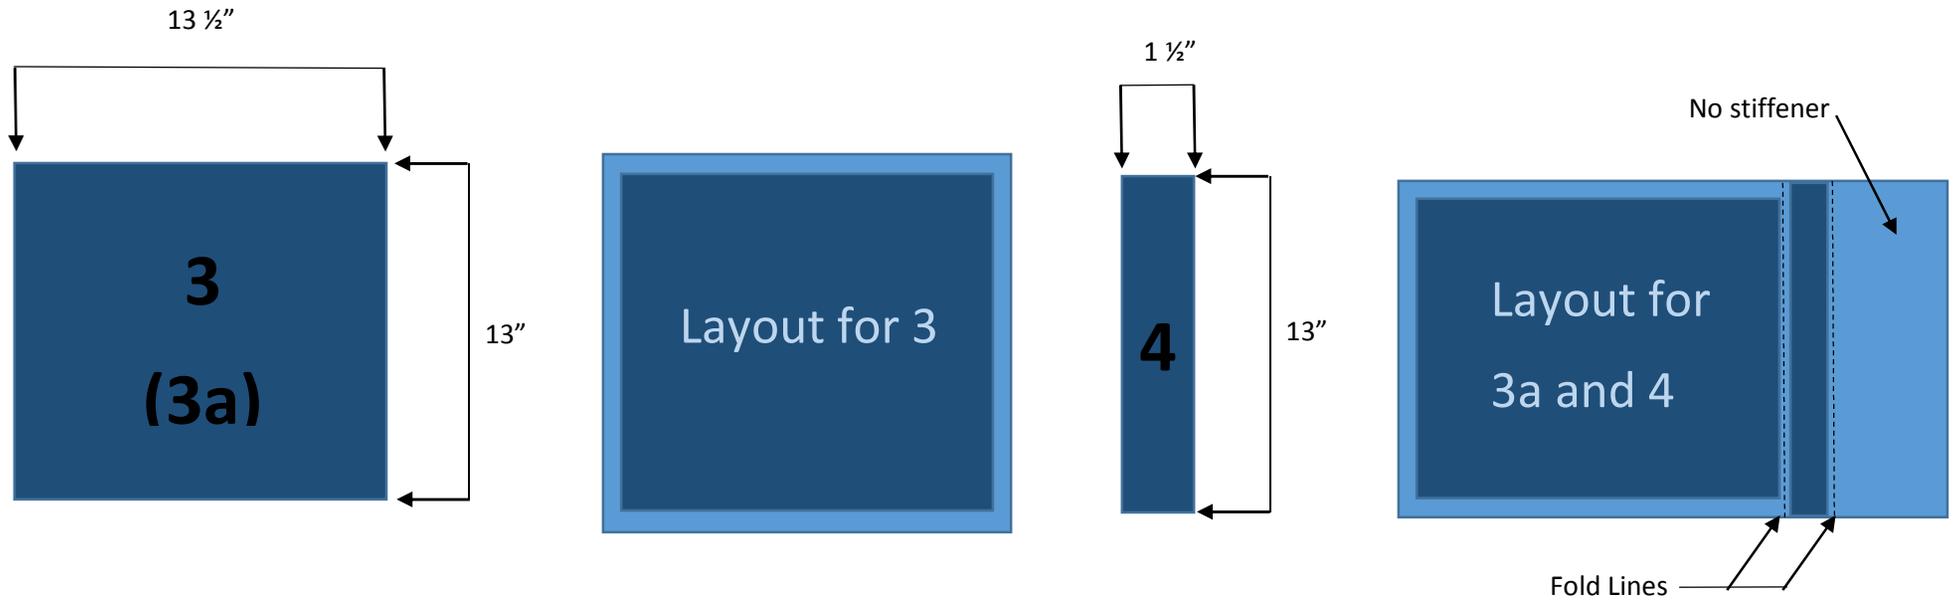

Diagram 3 : Construction Dimensions Bag Stiffener (w/ Layout Guide for Part III Instructables)

Legend and Notes

3 = Album Foundation	Note: This is the core of the album; this foundation lays between the two leathers.
Layout for 3	<i>As shown: assembled to flesh side of the black garment leather (lighter blue) detailed in Diagram 2. Refer to Part III written instructables.</i>
3a = Album Foundation	Note: A second piece cut with the exact same measurements and general purpose as 3 but as a component for B.
4 = Supportive Spine Foundation	Note: This is the core of the supportive spine; it also lays between the two leathers.
Layout for 3a and 4	<i>As shown: assembled to flesh side of the black garment leather (lighter blue) detailed in Diagram 2. Refer to Part III written instructables.</i>
