

Im so boreddddd,  
i'm inviting  
strangers home.

I promise to feed  
the poor if this pimple  
goes away NOW!

I'm so proud of myself,  
I jussst finished  
an entire season  
of gossip girl.

I'm in looove  
with my boss.  
Shhh.  
Don't tell anyone.

There is sooooo much  
suffering in The notebook  
I can't stop crying.

I cry when  
my hair falls  
while straightning.  
I know how starving kids feel.
