Instructions:

1) Print both pages full size (100%).
2) Cut out the rectangular sections from each page.
3) Line up the A and B arrows and tape the two sections together.
4) Wrap the paper around a 15 5/8" length of 3/4" schedule 40 PVC pipe. Make sure that the orange arrows line up together.
5) Cut out the white area using a dremel with a cutting wheel.
6) Drill the 1/8" and 1/16" holes.
