

## Year 10 Kart BOM Assignment

When starting any project is a good idea to make a list of all the parts you will need, find out where to get them and establish the cost.

This is Called a bill of materials BOM

On A Go Kart there is at least 24 items that you will have to purchase (multiple items like tires only count as one item)

Make up a table with the name of each item, a photo, and at least 2 suppliers so you can compare the cost.

It should look something like this.

When finished put your BOM into your digital folio.

Part	photo	supplier	cost	supplier	cost
Wheels		<a href="#">online_kartin_g_warehouse</a>	\$204.00 Free Freight	<a href="#">Cut Price Racing G...</a>	\$179 +19.40 freight
Tyres		<a href="#">online_kartin_g_warehouse</a>	\$280 +\$12 post	<a href="#">dunlopkart sport</a>	\$150 free frieght.
